Description of fiscal impact: SB 355 bill has no fiscal impact to the Department of Environmental Quality (DEQ) or the Petroleum Tank Release Compensation Board.

FISCAL ANALYSIS

Assumptions:

1. SB 355 will not have a fiscal impact to DEQ because the program already reviews and works closely with grant recipients on eligibility determinations and coordination of brownfields sites.
2. The Petroleum Tank Release Compensation Board provides financial resources from the Petroleum Tank Release Cleanup Fund to reimburse certain owners or operators for eligible cleanup costs of petroleum storage tank facilities. Cleanup costs reimbursed through a brownfields grant are not reimbursed from the Petroleum Tank Release Cleanup Fund.
